what NEW CHURCH DEVELOPMENT can offer

- Planter Recruitment
- Mentoring - coaching -training church planters
- Grassroots-planting partnership and parenting
- Resourcing for planting and new church development

NEW CHURCH DEVELOPMENT SPECIALIST Job descriptions

1. To recruit and identify prospective church planters from the hotbeds of potentials.
2. To offer planting resources in becoming more effective at starting new churches by providing training and mentoring support services regarding Church planting basics, approaches, and planned strategies.
3. To provide planters of new church development coaching services to help foresee the obstacles, twists, and turns ahead: from the start-up phase to organization.

4. To find established churches that would be committed to become a part of a church planting partnership and parenting.
5. To provide support for new church planters in walking through the affiliation timeline: from the examination process, to the ordination phase, to the ministry funding.
